

2022 TPIE EXHIBITORS SHOWCASE/ NEW PLANTS & PRODUCTS ENTRY

If you wish to post your plant online – each exhibitor is given one online plant for free. You may upgrade to bronze, silver and platinum packages to get more online plants. You may update those on the Exhibitors Service Center.

If you wish to only exhibit in the Exhibitors Showcase on the floor *and not online*, use this form and pay online (\$99) for each 2' spot as needed. Each exhibitor listing a plant or product for this area will get a 2' section of display area (if your plant or product exceeds this size, contact the staff to arrange for larger or ground spaces). Larger sizes will be limited due to space constraints. Your sign will be in your space.
